CLUBS & SOCIETIES

School clubs are essential for fostering a well-rounded educational experience for pupils. They provide opportunities for personal growth, social interaction, academic enhancement and leadership development, all of which contribute to a pupil's overall success and wellbeing. In addition to enriching their school life, participating in clubs prepare pupils for future tasks.

HOUSE SYSTEM

The house system is an integral part of school culture as it fosters school spirit and community, encourages teamwork, promotes collaboration and provides opportunities for achievement. Students are systematically placed in a house as they begin the new school. Families are placed in the same house.

ANGELUS	Yellow	Archangel Gabriel
JOSEPHINE	Purple	Saint Joseph
MADONNA	Blue	Blessed Virgin Mary

Annual inter-house competitions are held between the mid-term and end of the Easter Term and culminates with “Sports Day”. Students, parents and staff, are encouraged to participate in all areas of interest to gain points for their house.
